Echo360 for Instructors How to obtain a Public URL for your course recordings

Please note, only the primary instructor may generate public URLs. Public views will not be reflected in course analytics

 Login to Echo360 via Canvas or <u>https://echo360.org</u> Select "Library" at the top of your dashboard. 	echo more more more more more Welcome, Jason Image: Second and and and and and and and and and a
2) Find your recording in your library. A pop-up window in the top-right corner should appear. Click it and select "View"	View Share Co Test Jun 14, 2017 Edit video Delete Download
3) You should see a preview of your recording along with three tabs just below. Select the "Sharing" tab, then hit the blue "Add Public Link" button.	

Echo360 for Instructors Please note, public URL views will not be reflected in course analytics

 Disable authentication by clicking the "Authenticate" button such that there is no check-mark. Then, click the URL link in the other yellow box. It will be automatically copied to your clipboard. From here, you may post the link wherever needed.

Pro Tip - If you want to start your recording from a point that is not the beginning, you can set the start time in the orange box.
