ACCESSING VOICE MAIL THROUGH EMMORY EXCHANGE
When Modular Messaging has been activated for your Emory phone extension, voice mail messages will automatically appear in your Emory Exchange inbox as attached .wav files. To listen to your message, simply double-click the attachment.

Modular Messaging uses the same telephone user interface as many cell phone voice mail systems. The basic commands are:
-  1 - Retrieve
-  7 - Delete
-  9 - Save

TO ACCESS YOUR VOICEMAIL FOR THE FIRST TIME BY PHONE
The first time you access your voicemail by phone, you will be prompted to:
1.  Change your password.
   - The initial Password is 111762.
2.  When prompted, choose a password between 6 and 15 digits that:
   - Does not begin with zero.
   - Is not consecutive digits.
   - Is not your five-digit extension.
   - Is not a single repeated digit.
3.  Record your name.
4.  Record a greeting.

ACCESSING VOICEMAIL
1.  Press the Message/Voicemail button on your phone or dial:
   - EUHM: 404-686-7300 University & all other users: 404-778-7300
   - If you are accessing your voicemail away from your desk phone, enter your 5-digit extension at the prompt followed by #.
2.  When prompted, enter your password and press #.

MESSAGE NOTIFICATION OPTIONS
1.  Login to your voicemail.
2.  Press 42 to enable or disable notifications.
3.  Follow the instructions give from the system to update your Find Me, Call Me or Notify Me status.

Note: To create or update your notification numbers and options refer to the Web Options or Outlook Voicemail Options QRG on it.emory.edu/voicemail.

LISTENING TO MESSAGES
1.  After logging in to your mailbox, press 1, 1 to retrieve your voicemail or 1, 2 for your emails.
2.  After listening to the message, select one of the following options:
   - # - Skip the message. (the message waiting light will remain on).
   - 9 – Save the message. (the message waiting light will turn off once all new messages are read or deleted).
   - 4 – Replay the message.
   - 5 – Play Message Header (tells you the date, time, etc.)
   - 7 – Delete the message. (you must be at the end of the message).
   - 33 – Skip to the End of the message.
   - 6 – Forward message:
     - 2: forward the message with a comment at the beginning.
     - 1: forward the message without a comment.
   - 8 – Reply to sender without original message attached.
     - 1: reply to the sender.
     - 2: reply to all recipients.
     - 8: call the sender.
     - 9: list of recipients.

RECORDING AND SENDING A MESSAGE
1.  After logging in to your mailbox, press 2.
2.  Record your message at the tone then press #.
3.  Enter the recipient’s extension or listen to the prompts for other options.
4.  When prompted with the recipient’s name & extension, press # if correct.
